

CONSENT IN FIVE EASY STEPS

Sometimes the effects of drugs and alcohol make consent impossible. It is vital that capacity to consent

IT'S THE LAW

IT'S THE LAW

ARE YOU PREPAREI

Kissing, cuddling, sexual touching and sex are all sexual activities

Each sexual activity must have separate consent every time the activity takes place

Remember someone can decide at any time that they no longer consent and they want to stop the sexual activity

IT'S THE LAW

YAY!

Have fun!

We all have the right to decide...

When to do it Where to do it How we do it Who we do it with

YES

An absence of NO

is not a YES

If someone feels

consent

even if

they say YES

pressured, this isn't

If you loved me

🛮 you would... 😾

IT'S THE LAW
